ABOUT ME

I'm Albert, a UI/UX designer who loves creating beautiful and meaningful products through design. As an information engineering graduate, I am well-versed in code and software development. For me, design is not just about aesthetics, but also the value it brings, the research and data behind it, and its practicality for development.

EDUCATION

Synrgy ACADEMY Batch 3

2021

UI/UX Design Scholarship Awardee.

Universitas Gadjah Mada

2017 - 2021

Information Engineering
(minor in Software Engineering).
